## **Overview of New Designs Charter School**

New Designs Charter Schools serve students in the sixth through twelfth grades living in southern LA. We provide a career-based, college-preparatory program for all students, regardless of socio-economic circumstances. We accomplish this by combining college-preparatory and career-readiness curriculum. The result is a unique opportunity for our students to develop both the academic knowledge to be successful in college and the technical skills required to advance their careers and achieve their dreams.

### **Mission**

New Designs Charter Schools are committed to the development of a college-preparatory learning environment that enables students to become literate, self-motivated, and lifelong learners. New Designs' goal is to prepare its students for advanced careers in the fields of medicine, engineering, information technology, and law and diplomacy.

### **Vision**

In pursuit of excellence, New Designs Charter Schools prepare students to succeed in a global, diverse, information-based, and technologically advanced society.

### **Our Belief and Commitment**

At New Designs, we believe that urban students should have access to the most rigorous curriculum possible in a caring and nurturing learning environment.

Our commitment to college preparation is evidenced by the graduation requirements, which exceed the University of California A–G requirements. The college preparatory curriculum implemented by New Designs, therefore, includes a rigorous graduation requirement that ensures 100% of our high school graduates meet or exceed UC/CSU entrance requirements. New Designs graduates can thus be found in all leading colleges and universities in the country.

In addition, our focus on career readiness has led to the development of career pathways in our schools. We require all high school students to enroll in a career pathway that provides a rigorous curriculum designed to prepare students for success in college and their future career.

As an educational organization, we are very appreciative of the support of our parents and all stakeholders. If you are a parent of a student who attends one of our schools, I strongly encourage you to get acquainted with our Parent Resources and acquaint yourself with the resources available for you and your students.

### **Our History**

New Designs Charter Schools was founded by Dr. Yaw O. Adutwum who saw a need for college preparatory educational opportunities for students in south Los Angeles. Dr. Adutwum, formerly the lead math teacher at Manual Arts High School in LAUSD and the USC Neighborhood Academic Initiative, acted on his idea and formed New Designs Charter School.

We opened our doors on September 7, 2004, to 120 students in grades six through eight. Since then, we have grown into three campuses serving 1100 students in the sixth through twelfth grades.

### SCHOOL OF CHOICE PROVISION

New Designs Charter School (NDCS) is a school of choice with open enrollment. ALL students who apply are accepted unless there are more applications than there are seats available. If there are more applications received by the published deadline, then a public random drawing is held to provide an equal opportunity for students to enroll. Applications are randomly drawn to determine who will be enrolled for the coming academic year. Once all available slots are filled, students are placed on a waiting list in the order the application is drawn.

NDCS accepts and supports students with disabilities and has a Special Education program that serves students with different disabilities including those with 504 Plans. Students living within the attendance area of NDCS who do not desire to attend the charter school may attend another school in the surrounding area. Alternatives to the school for these students living within the NDCS attendance area who opt not to attend this charter will be the same as those offered to all other students currently residing in the district. These students may attend other district schools in accordance with existing enrollment and transfer policies of the district or county of residence.

If NDCS finds merit in a UCP complaint, or the CDE finds merit in an appeal, NDCS shall take corrective actions consistent with the requirements of existing law that will provide a remedy to the affected student and/or parent/guardian as applicable.

A complainant may pursue available civil law remedies outside of NDCS's complaint procedures. Complainants may seek assistance from mediation centers or public/private interest attorneys. Civil law remedies that may be imposed by a court include, but are not limited to, injunctions and restraining orders. For unlawful discrimination, harassment, intimidation or bullying complaints arising under state law, however, a complainant must wait until sixty (60) calendar days have elapsed from the filing of an appeal with the CDE before pursuing civil law remedies. Your time, talent, and enthusiasm are an integral part of the day-to-day functioning of the school and the overall academic development of your child. As stated in the Parent/Student/Staff School Agreement, each accepts responsibility for the preparation of each student. This document is part of each student's enrollment packet and is explained to all new families at the beginning of the school year. Continuing parents and students will sign the agreement at the beginning of each new school year.

NDCS believes:

- Parents are critical partners to the success of their child at school and therefore they are needed to take active and meaningful roles ensuring the success of the school.
- Parents must be actively engaged in their child's education and responsible for supporting their child's learning at home.
- Parents should support the goals of the school through their voice and through volunteering or coming to parent meetings or Coffee with the Principal.

### **Helping Your Child Succeed**

Effective and consistent parent participation leads to student success. The following suggestions are to help your child's academic success:

1. Encourage your student to be an active and responsible learner who completes and turns in assignments and homework when they are due and seeks assistance when needed.
2. Ensure that your student arrives to school on time each day and supports school policies such as discipline, safety, proper school attire, textbook care, etc.
3. Monitor your student's overall progress on a regular basis. Do not wait until progress reports and report cards are issued to find out how your student is doing in school.
4. If your student is struggling with their schoolwork or needs help, speak with his/her advisor and/or teachers and ensure that your student attends tutoring.
5. Help your student establish a regular time and place to study and to complete their homework and school projects.
6. Talk to your student about what is happening at school and what they are learning.
7. Attend all scheduled parent/teacher conferences, school activities and parent educational workshops.
8. Support your student's school by volunteering.

## ***Health and Safety Services***

### **Procedures**

Students in need of health services during class time must obtain a Health Referral from their teacher. A student must then report directly to the Office where a staff member will determine the student's needs and take appropriate action.

### **Illness and Discomfort**

Students who feel ill during the school day are dismissed from class to the office. Parents are immediately notified and first aid is provided. If necessary, students can wait in the office until a parent arrives. Major injuries and pain will result in an immediate 911 and parent phone call.

### **Accidents or Injuries On-site**

Parents are contacted as soon as possible if a student is injured during the school day. In the case of injuries requiring medical attention, the school will call 911. NDCS exercises reasonable care to ensure students are supervised on campus during class time, passing period, and lunch breaks. Witnesses of the injury will be asked to fill out an Incident Report.

### **Non-Prescription Drug Policy**

School employees **may NOT** distribute any non-prescription medication. Students may NOT carry, consume, or distribute any non-prescription medication for pain relief (or for any other reason) to anyone.

### **Prescription Drug Policy**

Students **may NOT** carry or distribute any prescription medication for any other reason. If a student has been directed by a physician to consume prescribed medication, it must be submitted to the office, in order to be logged-in and secured. All medication must be in its original packaging, labeled with the student's name, physician's contact information, and accompanied by administration factsheet.

### **In order for a student to be assisted by designated NDCS personnel in administering medication, the student's parents/guardians must provide both of the following:**

1. A written statement from the student's authorized health care provider detailing the name of the medication, method, amount/dosage, and time schedules by which the medication is to be taken, and
2. A written statement from the parent, foster parent, or guardian of the student indicating the desire that NDCS assist the student in the matters set forth in the statement of the authorized health care provider.

These written statements specified shall be provided at least annually and more frequently if the medication, dosage/amount, frequency of administration, or reason for administration changes.

The primary responsibility for the administration of medication rests with the parent/guardian, student, and medical professionals.

## SUICIDE PREVENTION POLICY

***Protecting the health and well-being of all students is of utmost importance to New Designs Charter Schools. Our school board has adopted a suicide prevention policy which will help to protect all students through the following steps:***

1. Students will learn about recognizing and responding to warning signs of suicide in friends, using coping skills, using support systems, and seeking help for themselves and friends. This will occur in all health classes.
2. The school will designate a suicide prevention coordinator to serve as a point of contact for students in crisis and to refer students to appropriate resources.
3. When a student is identified as being at risk, they will be assessed by a school-employed mental health professional who will work with the student and help connect them to appropriate local resources.
4. Students will have access to national resources which they can contact for additional support, such as:
  - The National Suicide Prevention Lifeline – 1.800.273.8255(TALK), [www.suicidepreventionlifeline.org](http://www.suicidepreventionlifeline.org)
  - The Trevor Lifeline – 1.866.488.7386, [www.thetrevorproject.org](http://www.thetrevorproject.org)
  - Suicide Prevention Crisis Line (877) 727-4747 – a 24-hour crisis line for individuals who are contemplating, threatening, or attempting suicide, including their family and friends.
  - Los Angeles County Department of Mental Health ACCESS (800) 854-7771 – collaborates with Crisis Counseling & Intervention Services for the administration and coordination of all mental health and law enforcement mobile response services in the event of a critical incident, including Psychiatric Mobile Response Teams (PMRT) and School Threat Assessment Response Teams (START). These teams respond to schools, offices, and homes.
5. All students will be expected to help create a school culture of respect and support in which students feel comfortable seeking help for themselves or friends. Students are encouraged to tell any staff member if they, or a friend, are feeling suicidal or in need of help.
6. For a more detailed review of policy changes, please see the school's full suicide prevention policy.

## **TITLE IX, HARASSMENT, INTIMIDATION, DISCRIMINATION, AND BULLYING POLICY**

Discrimination, sexual harassment, harassment, intimidation, and bullying are all disruptive behaviors, which interfere with students' ability to learn, negatively affect student engagement, diminish school safety, and contribute to a hostile school environment. As such, New Designs Charter School ("NDCS" or the "Charter School") prohibits any acts of discrimination, sexual harassment, harassment, intimidation, and bullying altogether. This policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means.

As used in this policy, discrimination, sexual harassment, harassment, intimidation, and bullying are described as the intentional conduct, including verbal, physical, written communication or cyber-bullying, including cyber sexual bullying, based on the actual or perceived characteristics of mental or physical disability, sex (including pregnancy and related conditions, and parental status), sexual orientation, gender, gender identity, gender expression, immigration status, nationality (including national origin, country of origin, and citizenship), race or ethnicity (including ancestry, color, ethnic group identification, ethnic background, and traits historically associated with race, including, but not limited to, hair texture and protective hairstyles such as braids, locks, and twist), religion (including agnosticism and atheism), religious affiliation, medical condition, genetic information, marital status, age or association with a person or group with one or more of these actual or perceived characteristics or based on any other characteristic protected under applicable state or federal law or local ordinance. Hereafter, such actions are referred to as "misconduct prohibited by this Policy."

To the extent possible, the Charter School will make reasonable efforts to prevent students from being discriminated against, harassed, intimidated, and/or bullied, and will take action to investigate, respond, address and report on such behaviors in a timely manner. NDCS school staff who witness acts of misconduct prohibited by this Policy will take immediate steps to intervene when safe to do so.

Moreover, the Charter School will not condone or tolerate misconduct prohibited by this Policy by any employee, independent contractor or other person with whom NDCS does business, or any other individual, student, or volunteer. This Policy applies to all employee, student, and volunteer actions and relationships, regardless of position or gender. NDCS will promptly and thoroughly investigate and respond to any complaint of misconduct prohibited by this Policy in a manner that is not deliberately indifferent and will take appropriate corrective action, if warranted. NDCS complies with all applicable state and federal laws and regulations and local ordinances in its investigation of and response to reports of misconduct prohibited by this Policy.

It is also unlawful to retaliate in any way against an individual who has articulated a good faith concern about sexual harassment against themselves or against another individual.

Sexual harassment may include, but is not limited to:

- Physical assaults of a sexual nature, such as:
  - Rape, sexual battery, molestation or attempts to commit these assaults.

  - Displaying signs or other materials purporting to segregate an individual by sex in an area of the work or educational environment (other than restrooms or similar rooms).

The illustrations of harassment and sexual harassment above are not to be construed as an all-inclusive list of prohibited acts under this Policy.

### **Bullying and Cyberbullying Prevention Procedures**

NDCS has adopted the following procedures for preventing acts of bullying, including cyberbullying.

#### **1. Cyberbullying Prevention Procedures**

NDCS advises students:

- a. To never share passwords, personal data, or private photos online.
- b. To think about what they are doing carefully before posting and by emphasizing that comments cannot be retracted once they are posted.
- c. That personal information revealed on social media can be shared with anyone including parents, teachers, administrators, and potential employers. Students should never reveal information that would make them uncomfortable if the world had access to it.
- d. To consider how it would feel receiving such comments before making comments about others online.

NDCS informs Charter School employees, students, and parents/guardians of NDCS’s policies regarding the use of technology in and out of the classroom. NDCS encourages parents/guardians to discuss these policies with their children to ensure their children understand and comply with such policies.

## 2. Education

NDCS employees cannot always be present when bullying incidents occur, so educating students about bullying is a key prevention technique to limit bullying from happening. NDCS advises students that hateful and/or demeaning behavior is inappropriate and unacceptable in our society and at NDCS and encourages students to practice compassion and respect each other.

Charter School educates students to accept all student peers regardless of protected characteristics (including but not limited to actual or perceived sexual orientation, gender identification, physical or cognitive disabilities, race, ethnicity, religion, and immigration status) and about the negative impact of bullying other students based on protected characteristics.

NDCS's bullying prevention education also discusses the differences between appropriate and inappropriate behaviors and includes sample situations to help students learn and practice appropriate behavior and to develop techniques and strategies to respond in a non-aggressive way to bullying-type behaviors. Students will also develop confidence and learn how to advocate for themselves and others, and when to go to an adult for help.

NDCS informs NDCS employees, students, and parents/guardians of this Policy and encourages parents/guardians to discuss this Policy with their children to ensure their children understand and comply with this Policy.

## 3. Professional Development

NDCS annually makes available the online training module developed by the California Department of Education pursuant Education Code section 32283.5(a) to its certificated employees and all other NDCS employees who have regular interaction with students.

NDCS informs certificated employees about the common signs that a student is a target of bullying including:

- Physical cuts or injuries
- Lost or broken personal items
- Fear of going to school/practice/games
- Loss of interest in school, activities, or friends
- Trouble sleeping or eating
- Anxious/sick/nervous behavior or distracted appearance
- Self-destructiveness or displays of odd behavior
- Decreased self-esteem

Charter School also informs certificated employees about the groups of students determined by NDCS, and available research, to be at elevated risk for bullying. These groups include but are not limited to:

- Students who are lesbian, gay, bisexual, transgender, or questioning youth (“LGBTQ”) and those youth perceived as LGBTQ; and
- Students with physical or learning disabilities.

NDCS encourages its employees to demonstrate effective problem-solving, anger management, and self-confidence skills for NDCS's students.

## **Grievance Procedures**

### **1. Scope of Grievance Procedures**

NDCS will comply with its Uniform Complaint Procedures ("UCP") policy when investigating and responding to complaints alleging unlawful harassment, discrimination, intimidation or bullying against a protected group or on the basis of a person's association with a person or group with one or more of the protected characteristics set forth in the UCP that:

- a. Are written and signed;
- b. Filed by an individual who alleges that that individual has personally suffered unlawful discrimination, harassment, intimidation or bullying, or by one who believes any specific class of individuals has been subjected to discrimination, harassment, intimidation or bullying based on a protected characteristic, or by a duly authorized representative who alleges that an individual student has been subjected to discrimination, harassment, intimidation, or bullying; and
- c. Submitted to the NDCS UCP Compliance Officer not later than six (6) months from the date the alleged unlawful discrimination, harassment, intimidation or bullying occurred, or the date the complainant first obtained knowledge of the facts of the alleged discrimination, harassment, intimidation or bullying.

The following grievance procedures shall be utilized for reports of misconduct prohibited by this Policy that do not comply with the writing, timeline, or other formal filing requirements of a uniform complaint. For formal complaints of sexual harassment, NDCS will utilize the following grievance procedures in addition to its UCP when applicable.

### **2. Reporting**

All staff are expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of misconduct prohibited by this Policy, to intervene when safe to do so, call for assistance, and report such incidents. The Board requires staff to follow the procedures in this policy for reporting alleged acts of misconduct prohibited by this Policy.

Any student who believes they have been subject to misconduct prohibited by this Policy or has witnessed such prohibited misconduct is encouraged to immediately report such misconduct to the Principal or Coordinator:

[INSERT NAME]

[INSERT TITLE]

[INSERT CONTACT INFO, INCLUDING OFFICE ADDRESS, PHONE NUMBER AND EMAIL ADDRESS]

Complaints regarding such misconduct may also be made to the U.S. Department of Education, Office for Civil Rights. Civil law remedies, including, but not limited to, injunctions, restraining orders, or other remedies or orders may also be available to complainants.

While submission of a written report is not required, the reporting party is encouraged to submit a written report to the Coordinator. NDCS will investigate and respond to all oral and written reports of misconduct prohibited by this Policy in a manner that is not deliberately indifferent. Reports may be made anonymously, but formal disciplinary action cannot be based solely on an anonymous report.

Students are expected to report all incidents of misconduct prohibited by this Policy or other verbal, or physical abuses. Any student who feels they are a target of such behavior should immediately contact a teacher, counselor, the Principal Coordinator, a staff person or a family member so that the student can get assistance in resolving the issue in a manner that is consistent with this Policy.

NDCS acknowledges and respects every individual's right to privacy. All reports shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible. This includes keeping the identity of the reporter confidential, as appropriate, except to the extent necessary to comply with the law, carry out the investigation and/or to resolve the issue, as determined by the Coordinator or administrative designee on a case-by-case basis.

NDCS prohibits any form of retaliation against any individual who files a report or complaint, testifies, assists, participates, or refuses to participate in any investigation or proceeding related to misconduct prohibited by this Policy. Such participation or lack of participation shall not in any way affect the status, grades, or work assignments of the individual. Individuals alleging retaliation in violation of this Policy may file a grievance using the procedures set forth in this Policy. Knowingly making false statements or knowingly submitting false information during the grievance process is prohibited and may result in disciplinary action.

All supervisors of staff will receive sexual harassment training within six (6) months of their assumption of a supervisory position and will receive further training once every two (2) years thereafter. All staff, and any individual designated as a coordinator, investigator or decision-maker and any person who facilitates an informal resolution process will receive sexual harassment training and/or instruction concerning sexual harassment as required by law.

### **3. Supportive Measures**

Upon the receipt of an informal or formal complaint of sexual harassment, the Coordinator will promptly contact the complainant to discuss the availability of supportive measures. The Coordinator will consider the complainant's wishes with respect to supportive measures, inform the complainant of the availability of supportive measures with or without the filing of a formal complaint of sexual harassment, and explain the process for filing a formal complaint of sexual harassment.

Supportive measures are non-disciplinary, non-punitive individualized services offered as appropriate, as reasonably available, and without fee or charge to the complainant or the respondent before or after the filing of a formal complaint of sexual harassment or where no formal complaint of sexual harassment has been filed. Such measures are designed to restore or

preserve equal access to NDCS's education program or activity without unreasonably burdening the other party, including measures designed to protect the safety of all parties or NDCS's educational environment, or deter sexual harassment. Supportive measures available to complainants and respondents may include but are not limited to counseling, extensions of deadlines or other course-related adjustments, modifications of work or class schedules, campus escort services, mutual restrictions on contact between the parties, changes in work locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures. NDCS will maintain as confidential any supportive measures provided to the complainant or respondent, to the extent that maintaining such confidentiality would not impair the ability of NDCS to provide the supportive measures.

#### **4. Investigation and Response**

Upon receipt of a report of misconduct prohibited by this Policy from a student, staff member, parent, volunteer, visitor or affiliate of NDCS, the Coordinator (or administrative designee) will promptly initiate an investigation. In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the Coordinator (or administrative designee) determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the Coordinator (or administrative designee) will inform the complainant of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.

At the conclusion of the investigation, the Coordinator (or administrative designee) will meet with the complainant and, to the extent possible with respect to confidentiality laws, provide the complainant with information about the investigation, including any actions necessary to resolve the incident/situation. However, the Coordinator (or administrative designee) will not reveal confidential information related to other students or employees.

For investigations of and responses to formal complaints of sexual harassment, the following grievance procedures will apply:

- Notice of the Allegations
  - Upon receipt of a formal complaint of sexual harassment, the Coordinator will give all known parties written notice of its grievance process, including any voluntary informal resolution process. The notice will include:
    - A description of the allegations of sexual harassment at issue and to the extent known, the identities of the parties involved in the incident, the conduct allegedly constituting sexual harassment, and the date and location of the alleged incident;
    - A statement that the respondent is presumed not responsible for the alleged conduct until a final decision is reached;
    - A statement that the parties may have an advisor of their choice, who may be an attorney, and may inspect and review evidence; and
    - A statement that NDCS prohibits an individual from knowingly making false statements or knowingly submitting false information during the grievance process.
- Emergency Removal
  - NDCS may place a non-student employee respondent on administrative leave

during the pendency of a formal complaint of sexual harassment grievance process in accordance with NDCS's policies.

- NDCS may remove a respondent from NDCS's education program or activity on an emergency basis, in accordance with NDCS's policies, provided that NDCS undertakes an individualized safety and risk analysis, determines that an immediate threat to the physical health or safety of any student or other individual arising from the allegations of sexual harassment justifies removal, and provides the respondent with notice and an opportunity to challenge the decision immediately following the removal.
- This provision may not be construed to modify any rights under the IDEA, Section 504, or the ADA.
- Informal Resolution
  - If a formal complaint of sexual harassment is filed, NDCS may offer a voluntary informal resolution process, such as mediation, to the parties at any time prior to reaching a determination regarding responsibility. If NDCS offers such a process, it will do the following:
    - Provide the parties with advance written notice of:
      - The allegations;
      - The requirements of the voluntary informal resolution process including the circumstances under which the parties are precluded from resuming a formal complaint of sexual harassment arising from the same allegations;
      - The parties' right to withdraw from the voluntary informal resolution process and resume the grievance process at any time prior to agreeing to a resolution; and
      - Any consequences resulting from participating in the voluntary informal resolution process, including the records that will be maintained or could be shared; and
    - Obtain the parties' advance voluntary, written consent to the informal resolution process.
  - NDCS will not offer or facilitate an informal resolution process to resolve allegations that an employee sexually harassed a student.
- Investigation Process
  - The decision-maker will not be the same person(s) as the Coordinator or the investigator. NDCS shall ensure that all decision-makers and investigators do not have a conflict of interest or bias for or against complainants or respondents.
  - In most cases, a thorough investigation will take no more than twenty-five (25) school days. If the investigator determines that an investigation will take longer than twenty-five (25) school days and needs to be delayed or extended due to good cause, the investigator will inform the complainant and any respondents in writing of the reasons for the delay or extension and provide an approximate date when the investigation will be complete.
  - The parties will be provided with an equal opportunity to present witnesses, to inspect and review any evidence obtained that is directly related to the allegations raised, and to have an advisor present during any investigative meeting or interview.

- The parties will not be prohibited from discussing the allegations under investigation or to gather and present relevant evidence.
- A party whose participation is invited or expected at an investigative meeting or interview will receive written notice of the date, time, location, participants, and purpose of the meeting or interview with sufficient time for the party to prepare to participate.
- Prior to completion of the investigative report, NDCS will send to each party and the party's advisor, if any, a copy of the evidence subject to inspection and review, and the parties will have at least ten (10) days to submit a written response for the investigator's consideration prior to the completion of the investigation report.
- The investigator will complete an investigation report that fairly summarizes all relevant evidence and send a copy of the report to each party and the party's advisor, if any, at least ten (10) days prior to the determination of responsibility.
- Dismissal of a Formal Complaint of Sexual Harassment
  - If the investigation reveals that the alleged harassment did not occur in NDCS's educational program in the United States or would not constitute sexual harassment even if proved, the formal complaint with regard to that conduct must be dismissed. However, such a dismissal does not preclude action under another applicable NDCS policy.
  - NDCS may dismiss a formal complaint of sexual harassment if:
    - The complainant provides a written withdrawal of the complaint to the Coordinator;
    - The respondent is no longer employed or enrolled at NDCS; or
    - The specific circumstances prevent NDCS from gathering evidence sufficient to reach a decision on the formal complaint or the allegations therein.
  - If a formal complaint of sexual harassment or any of the claims therein are dismissed, NDCS will promptly send written notice of the dismissal and the reason(s) for the dismissal simultaneously to the parties.
- Determination of Responsibility
  - The standard of evidence used to determine responsibility is the preponderance of the evidence standard.
  - Determinations will be based on an objective evaluation of all relevant evidence and credibility determinations will not be based on a person's status as a complainant, respondent, or witness.
  - NDCS will send a written decision on the formal complaint to the complainant and respondent simultaneously that describes:
    - The allegations in the formal complaint of sexual harassment;
    - All procedural steps taken including any notifications to the parties, interviews with parties and witnesses, site visits, and methods used to gather other evidence;
    - The findings of facts supporting the determination;
    - The conclusions about the application of NDCS's code of conduct to the facts;
    - The decision and rationale for each allegation;

- Any disciplinary sanctions the recipient imposes on the respondent, and whether remedies designed to restore or preserve equal access to the education program or activity will be provided to the complainant; and
- The procedures and permissible bases for appeals.

## **5. Consequences**

Students or employees who engage in misconduct prohibited by this Policy, knowingly make false statements or knowingly submit false information during the grievance process may be subject to disciplinary action up to and including expulsion from NDCS or termination of employment. The Coordinator is responsible for effective implementation of any remedies ordered by NDCS in response to a formal complaint of sexual harassment.

## **6. Right of Appeal**

Should the reporting individual find NDCS's resolution unsatisfactory, the reporting individual may, within five (5) business days of notice of NDCS's decision or resolution, submit a written appeal to the President of the NDCS Board, who will review the investigation and render a final decision.

The following appeal rights and procedures will apply to formal complaints of sexual harassment:

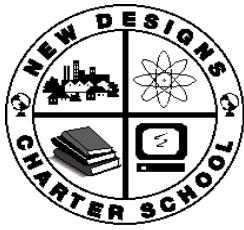

- The complainant and the respondent shall have the same appeal rights and NDCS will implement appeal procedures equally for both parties.
- Within five (5) business days of NDCS's written decision or dismissal of the complaint, the complainant or respondent may submit a written appeal to the Coordinator.
- The decision-maker(s) for the appeal will not be the same person(s) as the Coordinator, the investigator or the initial decision-maker(s).
- The complainant and respondent may appeal from a determination regarding responsibility, and from NDCS's dismissal of a formal complaint or any allegations therein, on the following bases:
  - Procedural irregularity that affected the outcome of the matter;
  - New evidence that was not reasonably available at the time the determination regarding responsibility or dismissal was made, that could affect the outcome of the matter; and
  - The Title IX Coordinator, investigator(s), or decision-maker(s) had a conflict of interest or bias for or against complainants or respondents generally or the individual complainant or respondent that affected the outcome of the matter.
- NDCS will notify the other party in writing when an appeal is filed.
- The decision-maker for the appeal will: 1) give both parties a reasonable, equal opportunity to submit a written statement in support of, or challenging, the outcome; 2) issue a written decision describing the result of the appeal and the rationale for the result; and 3) provide the written decision simultaneously to both parties.

## **7. Recordkeeping**

All records related to any investigation of complaints under this Policy are maintained in a secure location.

NDCS will maintain the following records for at least seven (7) years:

- Records of each sexual harassment investigation, including any determination of responsibility; any audio or audiovisual recording or transcript; any disciplinary sanctions imposed on the respondent; and any remedies provided to the complainant.
- Records of any appeal of a formal sexual harassment complaint and the results of that appeal.
- Records of any informal resolution of a sexual harassment complaint and the results of that informal resolution.
- All materials used to train Title IX coordinators, investigators, decision-makers, and any person who facilitates an informal resolution process.
- Records of any actions, including any supportive measures, taken in response to a report or formal complaint of sexual harassment.

# NDCS Teacher and Student Interactions

NDCS recognizes its responsibility to make and enforce all rules and regulations governing student and employee behavior to bring about the safest and most learning-conducive environment possible.

## Corporal Punishment

Corporal punishment shall not be used as a disciplinary measure against any student. Corporal punishment includes the willful infliction of, or willfully causing the infliction of, physical pain on a student.

For purposes of this policy, corporal punishment does not include an employee's use of force that is reasonable and necessary to protect the employee, students, staff or other persons or to prevent damage to property.

For clarification purposes, the following examples are offered for direction and guidance of School personnel:

- A. Examples of PERMITTED actions (NOT corporal punishment)
  - 1. Stopping a student from fighting with another student;
  - 2. Preventing a pupil from committing an act of vandalism;
  - 3. Defending yourself from physical injury or assault by a student;
  - 4. Forcing a pupil to give up a weapon or dangerous object;
  - 5. Requiring an athletic team to participate in strenuous physical training activities designed to strengthen or condition team members or improve their coordination, agility, or physical skills;
  - 6. Engaging in group calisthenics, team drills, or other physical education or voluntary recreational activities.
  
- B. Examples of PROHIBITED actions (corporal punishment)
  - 1. Hitting, shoving, pushing, or physically restraining a student as a means of control;
  - 2. Making unruly students do push-ups, run laps, or perform other physical acts that cause pain or discomfort as a form of punishment;
  - 3. Paddling, swatting, slapping, grabbing, pinching, kicking, or otherwise causing physical pain.

## Acceptable and Unacceptable Staff/Student Behavior

This policy is intended to guide all School faculty and staff in conducting themselves in a way that reflects the high standards of behavior and professionalism required of school employees and to specify the boundaries between students and staff.

Although this policy gives specific, clear direction, it is each staff member's obligation to avoid situations that could prompt suspicion by parents, students, colleagues, or school leaders. One viable standard that can be quickly applied, when you are unsure if certain conduct is acceptable, is to ask yourself, "Would I be engaged in this conduct if my family or colleagues were standing next to me?"

For the purposes of this policy, the term “boundaries” is defined as acceptable professional behavior by staff members while interacting with a student. Trespassing the boundaries of a student/teacher relationship is deemed an abuse of power and a betrayal of public trust.

Some activities may seem innocent from a staff member’s perspective, but can be perceived as flirtation or sexual insinuation from a student or parent point of view. The objective of the following lists of acceptable and unacceptable behaviors is not to restrain innocent, positive relationships between staff and students, but to prevent relationships that could lead to, or may be perceived as, sexual misconduct.

Staff must understand their own responsibility for ensuring that they do not cross the boundaries as written in this policy. Disagreeing with the wording or intent of the established boundaries will be considered irrelevant for disciplinary purposes. Thus, it is crucial that all employees learn this policy thoroughly and apply the lists of acceptable and unacceptable behaviors to their daily activities. Although sincere, competent interaction with students certainly fosters learning, student/staff interactions must have boundaries surrounding potential activities, locations and intentions.

#### Duty to Report Suspected Misconduct

When any employee reasonably suspects or believes that another staff member may have crossed the boundaries specified in this policy, he or she must immediately report the matter to a school administrator. All reports shall be as confidential as possible under the circumstances. It is the duty of the administrator to investigate and thoroughly report the situation. Employees must also report to the administration any awareness or concern of student behavior that crosses boundaries or where a student appears to be at risk for sexual abuse.

#### Examples of Specific Behaviors

The following examples are not an exhaustive list:

#### Unacceptable Staff/Student Behaviors (Violations of this Policy)

These positive school climates will offer:

## **School-Wide Positive Behavior Intervention and Support (SWPBIS)**

NDCS will implement alternatives to suspension that will be supported by the positive behavior interventions in the Los Angeles Unified School District Discipline Foundation Policy. NDCS realizes that appropriate prevention and intervention approaches provide accountability and reconciliation through understanding the impact of the discipline incident and repairing the harm caused through a shared decision-making process.

### **• Alternatives to suspension and positive behavior interventions and supports**

Alternatives to suspension strategies will be utilized for all students and in a consistent and age-appropriate manner except where the severity of the offense necessitates forgoing alternatives to suspension. Under NDCS's charter, no student will be suspended or expelled for a "willful defiance" (48900(k) offense.

### **• Restorative Justice (RJ) approaches that resolve student interpersonal conflict**

Beginning in 2015-2016 schools will have begun to develop of Restorative Justice (RJ) approaches, when appropriate, that resolve school disciplinary incidents by having personnel trained in restorative strategies and all parties involved willingly come together, identify the harm that was caused, and develop an agreement on how to restore harmony. Through the restorative process, the group develops a shared agreement for repairing harm and addressing root causes to prevent future harm. Restorative Justice (RJ) approaches may be used as an intervention consistent with the School-Wide Positive Behavior Intervention and Support (SWPBIS) policy for all school disciplinary incidents unless a recommendation for expulsion is required as under NDCS's charter or when safety is at risk.

### **• A District SWPBIS Task Force**

The SWPBIS Task Force shall include a teacher, student, administrator and a parent representatives as well as members from community organizations (when available) to make recommendations, and will make recommendations for implementing a school-wide culture of positive and Restorative Justice (RJ) approaches to working with students, staff and parents/guardians.

### **• A system to file a formal complaint if School-Wide Positive Behavior Intervention and Support is not implemented**

Students and parents/guardians have the right to file a formal complaint if SWPBIS is not implemented within 60 days of a request (See General Complaint Policy).

2. The student alleging harassment will be asked to complete a formal, written complaint. The claim will be investigated thoroughly, involving only the necessary parties. Confidentiality will be maintained as much as possible.

# NDCS Annual Notices

2025-2026

## Animal Dissections

Students at NDCS may perform animal dissections as part of the science curriculum. Any student who provides their teacher with a written statement, signed by their parent/guardian, specifying the student's moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof, may be excused from such activities if the teacher believes that an adequate alternative education project is possible. The alternative education project shall require a comparable time and effort investment by the student. It shall not, as a means of penalizing the student, be more arduous than the original education project. The student shall not be discriminated against based upon their moral objection to dissecting or otherwise harming or destroying animals, or any parts thereof.

## Availability of Prospectus

Upon request, NDCS will make available to any parent or legal guardian, a school prospectus, which shall include the curriculum, including titles, descriptions, and instructional aims of every course offered. Please note that, pursuant to law, NDCS may charge for the prospectus in an amount not to exceed the cost of duplication.

## Cal Grant Program Notice

NDCS is required by state law to submit the Grade Point Average ("GPA") of all high school seniors by October 1 of each year, unless the student (if the student is 18 years of age or older) or parent/guardian (for those under 18 years of age) opt-out. Students currently in eleventh (11th) grade will be deemed a Cal Grant applicant, unless the student (or parent/guardian, if the student is under 18 years of age) has opted out by or before February 1.

## California Healthy Kids Survey

NDCS will administer the California Healthy Kids Survey ("CHKS") to students at grades seven, nine, and eleven whose parent or guardian provides written permission. The CHKS is an anonymous, confidential survey of school climate and safety, student wellness, and youth resiliency that enables NDCS to collect and analyze data regarding local youth health risks and behaviors, school connectedness, school climate, protective factors, and school violence.

## Campus Search and Seizure

NDCS recognizes and has determined that the occurrence of incidents which may include the possession of firearms, weapons, alcohol, controlled substances, or other items of contraband prohibited by law or Charter School rules and regulations, jeopardizes the health, safety and welfare of students and Charter School employees.

The California Constitution requires that all students and staff of public schools have the inalienable right to attend campuses which are safe, secure, and peaceful. As such, Charter School has adopted a Policy outlining the reasonable search of students and their property, student use

areas, and/or student lockers and the seizure of illegal, unsafe, unauthorized or contraband items and materials through a search based upon reasonable suspicion.

Student lockers, including P.E. lockers, are school property and remain at all times under the control of NDCS. Students shall assume full responsibility for the security of their lockers. Student lockers may not be used to store illegal, unauthorized, or contraband materials. The acceptance and use of locker facilities on school campus by any student shall constitute consent by the student to the search of such locker facilities by authorized school personnel and/or law enforcement. Inspections of lockers may be conducted by school personnel and/or law enforcement through the use of trained dogs.

A student's personal cell phone, smartphone, or other personal electronic device shall not be searched by school officials without a warrant, the student's consent, or a legitimate emergency, unless the device is lost or abandoned. An emergency is any *situation involving danger of death or serious physical injury to any person, that requires access to the information located or reasonably believed to be located on the electronic device*. If NDCS has a good faith belief that the device is lost, stolen, or abandoned, NDCS may only access electronic device information in order to attempt to identify, verify, or contact the owner of the device.

NDCS is not prohibited from seizing/confiscating a student's personal electronic device, without searching its contents, if the student's use or possession of the private electronic device is in violation of Charter School rules or regulations. The complete Policy is available for review at the main office.

### **Concussion/Head Injuries**

A concussion is a brain injury that can be caused by a bump, blow, or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. Even though most concussions are mild, all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly. Because NDCS has elected to offer an athletic program, we must immediately remove from a school-sponsored athletic activity for the remainder of the day an athlete who is suspected of sustaining a concussion or head injury during that activity. The athlete may not return to that activity until the athlete is evaluated by, and receives written clearance from, a licensed health care provider. If the licensed health care provider determines the athlete has a concussion or head injury, the athlete shall also complete a graduated return-to-play protocol of no less than 7 days in duration under the supervision of a licensed health care provider. On a yearly basis, a concussion and head injury information sheet must be signed and returned by the athlete and the athlete's parent or guardian before the athlete initiates practice or competition. This requirement does not apply to an athlete engaging in an athletic activity during the regular school day or as part of a physical education course.

### **Diabetes**

NDCS will provide an information sheet regarding type 2 diabetes to the parent or guardian of incoming 7th grade students, pursuant to Education Code Section 49452.7. The information sheet shall include, but shall not be limited to, all of the following:

1. A description of type 2 diabetes.
2. A description of the risk factors and warning signs associated with type 2 diabetes.
3. A recommendation that students displaying or possibly suffering from risk factors or

warning signs associated with type 2 diabetes should be screened for type 2 diabetes.

4. A description of treatments and prevention of methods of type 2 diabetes.
5. A description of the different types of diabetes screening tests available.

A copy of the information sheet regarding type 2 diabetes is available at:

<https://www.cde.ca.gov/ls/he/hn/type2diabetes.asp>.

Please contact the office if you need a copy of this information sheet or if you have any questions about this information sheet.

The Charter School will provide an information sheet regarding type 1 diabetes to the parent or guardian of a student when the student is first enrolled in elementary school, pursuant to Education Code Section 49452.6. The information sheet shall include, but shall not be limited to, all of the following:

1. A description of type 1 diabetes.
2. A description of the risk factors and warning signs associated with type 1 diabetes.
3. A recommendation that parents or guardians of students displaying warning signs associated with type 1 diabetes should immediately consult with the student's primary care provider to determine if immediate screening for type 1 diabetes is appropriate.
4. A description of the screening process for type 1 diabetes and the implications of test results.
5. A recommendation that, following a type 1 diagnosis, parents or guardians should consult with the pupil's primary care provider to develop an appropriate treatment plan, which may include consultation with and examination by a specialty care provider, including, but not limited to, a properly qualified endocrinologist.

A copy of the information sheet regarding type 1 diabetes is available from the CDE. Please contact the office if you need a copy of this information sheet or if you have any questions about this information sheet.

  2. A child who is the subject of a petition filed pursuant WIC section 602, has been removed from the child’s home by the juvenile court, and is in foster care.
  3. A nonminor under the transition jurisdiction of the juvenile court, as described in WIC section 450, who satisfies all of the following criteria:
    - a. The nonminor has attained 18 years of age while under an order of foster care placement by the juvenile court.

- “*Currently Migratory Child*” refers to a child who, within the last 12-months, has moved with a parent, guardian, or other person having custody to NDCS from another Local Educational Agency (“LEA”), either within California or from another state, so that the child or a member of the child’s immediate family might secure temporary or seasonal employment in an agricultural or fishing activity, and whose parents or guardians have been informed of the child’s eligibility for migrant education services. ---

<sup>2</sup> The Charter School shall not require an Indian tribe or tribal court representative to certify that any student is a dependent of an Indian tribe, consortium of tribes, or tribal organization.

The Foster and Mobile Youth Liaison's responsibilities include but are not limited to the following:

1. Ensuring and facilitating the proper educational placement, enrollment in school, and checkout from school of foster children.
2. Assisting foster children when transferring from one school to another school in ensuring proper transfer of credits, records and grades.

**School Stability:** NDCS will work with foster youth and their parent/guardian to ensure that each pupil is placed in the least restrictive educational programs, and has access to the academic resources, services, and extracurricular and enrichment activities that are available to all pupils, including, but not necessarily limited to, interscholastic sports. All decisions regarding a foster youth's education and placement will be based on the best interest of the child and shall consider, among other factors, educational stability and the opportunity to be educated in the least restrictive educational setting necessary to achieve academic progress.

Foster youth, currently migratory children and children of military families have the right to remain in their school of origin if it is in their best interest. NDCS will immediately enroll a foster youth, currently migratory child or child of a military family seeking reenrollment in NDCS as the student's school of origin (subject to NDCS's capacity and pursuant to the procedures stated in NDCS's charter and Board policy). If a dispute arises regarding a foster youth's request to remain in NDCS as the school of origin, the foster youth has the right to remain in NDCS pending the resolution of the dispute. NDCS will also immediately enroll any foster youth, currently migratory child or child of a military family seeking to transfer to NDCS (subject to NDCS's capacity and pursuant to the procedures stated in NDCS's charter and Board policy) regardless of the student's ability to meet normal enrollment documentation or uniform requirements (e.g., producing medical records or academic records from a previous school).

Foster youth, currently migratory children, and children of military families have the right to remain in their school of origin following the termination of the child's status as a foster youth, currently migratory child or child of a military family, as follows:

1. For students in Kindergarten through eighth grade, inclusive, the student will be allowed to continue in the school of origin through the duration of the academic year in which the student's status changed.
2. For students enrolled in high school, the student will be allowed to continue in the school of origin through graduation.

**Graduation Requirements:** Foster and Mobile Youth who transfer to NDCS any time after the completion of their second year of high school, and pupils participating in a newcomer program who are in their third or fourth year of high school, shall be exempt from any of NDCS's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless NDCS makes a finding that the student is reasonably able to complete NDCS's graduation requirements by the end of the student's fourth year of high school.

To determine whether a Foster and Mobile Youth is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer or the length of the

student's school enrollment may be used, whichever will qualify the student for the exemption. In the case of a pupil participating in a newcomer program, enrollment in grade 11 or 12 may be used to determine whether the student is in their third or fourth year of high school.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into NDCS, NDCS shall notify the student, the parent/guardian, and where applicable, the student's social worker or probation officer, of the availability of the exemption and whether the student qualifies for an exemption.

NDCS shall notify students who are exempted from NDCS's additional graduation requirements and the student's parent/guardian how any of the requirements that are waived will affect the pupil's ability to gain admission to a postsecondary educational institution and provide information about transfer opportunities available through the California Community Colleges.

NDCS shall not require any student who would otherwise be entitled to remain in attendance at NDCS to accept the exemption from NDCS's additional graduation requirements or deny the student enrollment in, or the ability to complete, courses for which the student is otherwise eligible. NDCS shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption. An eligible student's exemption from NDCS's additional graduation requirements will continue to apply while the student is enrolled in NDCS or if the student transfers to another school even after the court's jurisdiction terminates or the student no longer meets the definition of a child of a military family, a currently migratory child or a pupil participating in a newcomer program.

NDCS shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from NDCS's additional graduation requirements.

If a student who is exempted from NDCS's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at NDCS, NDCS shall not require or request that the student graduate before the end of the student's fourth year of high school.

If NDCS determines the student is reasonably able to complete NDCS's graduation requirements by the end of the student's fifth year of high school, NDCS shall do the following:

1. Inform the student of the student's option to remain at NDCS for a fifth year to complete NDCS's graduation requirements.
2. Inform the student, and the educational rights holder for the student, about how remaining in school for a fifth year to complete NDCS's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
3. Provide information to the student about transfer opportunities available through the California Community Colleges.
4. Permit the student to stay at NDCS for a fifth year to complete NDCS's graduation

requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the educational rights holder for the student.

**Acceptance of Course Work:** NDCS will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a Foster and Mobile Youth.

NDCS will provide Foster and Mobile Youth credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, NDCS shall not require the student to retake the portion of the course the student completed unless NDCS, in consultation with the holder of educational rights for the student, finds that the pupil is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the Foster and Mobile Youth shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

**Student Records:** When NDCS receives a transfer request and/or student records request for the educational information and records of a foster youth from a new local educational agency (“LEA”), NDCS shall provide these student records within two (2) business days. NDCS shall compile the complete educational record of the student, including but not limited to a determination of seat time, full or partial credits earned, current classes and grades, immunization and other records, and, if applicable, a copy of the student’s special education records including assessments, IEPs, and/or 504 plans. All requests for student records will be shared with the Foster and Mobile Youth Liaison, who shall be aware of the specific educational record keeping needs of Foster and Mobile Youth.

NDCS shall not lower a foster youth’s grades as a result of the student’s absence due to a verified court appearance, related court ordered activity, or a change the placement of the student made by a county or placing agency. If a foster youth is absent from school due to a decision to change the placement of the student made by a county or placing agency, the grades and credits of the pupil will be calculated as of the date the student left NDCS.

In accordance with NDCS’s Educational Records and Student Information Policy, under limited circumstances, NDCS may disclose student records or personally identifiable information contained in those records to certain requesting parties including but not limited to a foster family agency and state and local authorities within a juvenile justice system, without parent/guardian consent. Students who are 16 years of age or older or have finished 10th grade may access their own school records.

**Discipline Determinations:** If NDCS intends to extend the suspension of any foster youth pending a recommendation for expulsion, NDCS will invite the student’s attorney and an appropriate representative from the relevant county agency to participate in the meeting at which the extension of the suspension will be discussed.

If NDCS intends to suspend for more than ten (10) consecutive school days or expel a student with a disability who is also a foster youth due to an act for which the recommendation for expulsion is discretionary, NDCS will invite the student's attorney and an appropriate representative from the relevant county agency to participate in the Manifestation Determination Review meeting.

**Complaints of Noncompliance:** A complaint of noncompliance with any of the requirements outlined above may be filed through NDCS's Uniform Complaint Procedures. A copy of the Uniform Complaint Policy and Procedures is available upon request at the main office.

**Availability of Complete Policy:** For any Foster and Mobile Youth who enrolls at NDCS, a copy of NDCS's complete foster youth policy shall be provided at the time of enrollment. A copy of the complete Policy is available upon request at the main office.

### **Education of Homeless Children and Youth**

The term "homeless children and youth" means individuals who lack a fixed, regular and adequate nighttime residence. It includes children and youths who (42 U.S.C. § 11434a):

Homeless status is determined in cooperation with the parent or guardian. In the case of unaccompanied youth, status is determined by NDCS Liaison.

**School Liaison:** The Principal or designee designates the following staff person as the School Liaison for homeless students (42 U.S.C. § 11432(g)(1)(J)(ii)):

The California Department of Education publishes a list of the contact information for the Homeless Education Liaisons in the state, which is available at: <https://www.cde.ca.gov/sp/hs/>

**Housing Questionnaire:** Charter School shall administer a housing questionnaire for purposes of identifying homeless children and youth. Charter School shall ensure that the housing questionnaire is based on the best practices developed by the CDE. Charter School shall annually provide the housing questionnaire to all parents/guardians of students and to all unaccompanied youths at Charter School. The housing questionnaire shall include an explanation of the rights and

protections a student has as a homeless child or youth or as an unaccompanied youth. The housing questionnaire shall be available in paper form. The housing questionnaire shall be available in English, and if fifteen (15) percent or more of the students enrolled at Charter School speak a single primary language other than English, it shall also be written in the primary language. The questionnaire shall be translated into other languages upon request of a student's parent/guardian or an unaccompanied youth. Charter School shall collect the completed housing questionnaires and annually report to the CDE the number of homeless children and youths and unaccompanied youths enrolled. (Education Code Section 48851.)

**High School Graduation Requirements:** Homeless students who transfer to NDCS any time after the completion of their second year of high school shall be exempt from any of NDCS's graduation requirements that are in excess of the California minimum graduation requirements specified in Education Code section 51225.3 ("additional graduation requirements") unless NDCS makes a finding that the student is reasonably able to complete NDCS's graduation requirements by the end of the student's fourth year of high school.

To determine whether a homeless student is in their third or fourth year of high school, either the number of credits the student has earned to the date of transfer or the length of the student's school enrollment may be used, whichever will qualify the student for the exemption.

Within thirty (30) calendar days of the date that a student who may qualify for exemption under the above requirements transfers into NDCS, NDCS shall notify the student, the student's educational rights holder, and the School Liaison of the availability of the exemption and whether the student qualifies for an exemption.

NDCS shall notify students who are exempted from NDCS's additional graduation requirements and the student's educational rights holder of how any of the requirements that are waived will affect the student's ability to gain admission to a postsecondary educational institution and provide information about transfer opportunities available through the California Community Colleges.

NDCS shall not require any student who would otherwise be entitled to remain in attendance at NDCS to accept the exemption from NDCS's additional graduation requirements or deny the student enrollment in, or the ability to complete, courses for which the student is otherwise eligible. NDCS shall not revoke an exemption and shall grant an eligible student's request for the exemption at any time if the student qualifies, regardless of whether the student previously declined the exemption. An eligible student's exemption from NDCS's additional graduation requirements will continue to apply while the student is enrolled in NDCS or if the student transfers to another school even after the student no longer meets the definition of a homeless child.

NDCS shall not require or request that a student transfer schools in order to qualify the student for the exemption. Nor shall a student, a student's parent/guardian or educational rights holder, or a student's social worker or probation officer request a transfer solely to qualify for an exemption from NDCS's additional graduation requirements.

If a student who is exempted from NDCS's additional graduation requirements completes the California minimum coursework requirements specified in Education Code section 51225.3 before

the end of the student's fourth year of high school and would otherwise be entitled to remain in attendance at NDCS, NDCS shall not require or request that the student graduate before the end of the student's fourth year of high school.

If NDCS determines the student is reasonably able to complete NDCS's graduation requirements by the end of the student's fifth year of high school, NDCS shall do the following:

1. Inform the student of the student's option to remain at NDCS for a fifth year to complete NDCS's graduation requirements.
2. Inform the student, and the educational rights holder for the student, about how remaining in school for a fifth year to complete NDCS's graduation requirements will affect the student's ability to gain admission to a postsecondary educational institution.
3. Provide information to the student about transfer opportunities available through the California Community Colleges.
4. Permit the student to stay at NDCS for a fifth year to complete NDCS's graduation requirements upon agreement with the student, if the student is 18 years of age or older, or, if the student is under 18 years of age, upon agreement with the educational rights holder for the student.

**Acceptance of Course Work:** NDCS will accept any coursework satisfactorily completed at any public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency by a homeless student.

NDCS will provide homeless students credit for the partial completion of courses taken while attending a public school, a juvenile court school, a school in a country other than the United States, and/or a nonpublic, nonsectarian school or agency. If the student did not complete the entire course, NDCS shall not require the student to retake the portion of the course the student completed unless NDCS, in consultation with the holder of educational rights for the student, finds that the student is reasonably able to complete the requirements in time to graduate from high school. When partial credit is awarded in a particular course, the homeless student shall be enrolled in the same or equivalent course, if applicable, so that the student may continue and complete the entire course. These students shall not be prevented from taking or retaking a course to meet California State University or the University of California admission eligibility requirements.

For any homeless student who enrolls at NDCS, a copy of NDCS's complete policy shall be provided at the time of enrollment. A copy of the complete Policy is available upon request at the main office.

### **English Learners**

NDCS is committed to the success of its English Learners and support will be offered both within academic classes and in supplemental settings for students who need additional support for English language learning. NDCS will meet all applicable legal requirements for English Learners as they pertain to annual notification to parents, student identification, placement, program options, English Learners and core content instruction, teacher qualifications and training, reclassification to fluent English proficient status, monitoring and evaluating program effectiveness, and standardized testing requirements. NDCS will implement policies to assure proper placement,

evaluation, and communication regarding English Learners and the rights of students and parents.

### **Information Regarding Financial Aid**

NDCS shall ensure that each of its students receives information on how to properly complete and submit the 1) Free Application for Federal Student Aid (FAFSA) or 2) the California Dream Act Application as appropriate, at least once before the student enters 12<sup>th</sup> grade. NDCS will provide a paper copy of the FAFSA or the California Dream Act Application upon request.

- The FAFSA form and information regarding the FAFSA are available at:
  - <https://studentaid.gov/h/apply-for-aid/fafsa>
- The California Dream Act Application and information regarding the California Dream Act is available at:
  - <https://www.csac.ca.gov/post/resources-california-dream-act-application>

### **National School Lunch Program: Universal Free Meals**

NDCS participates in the National School Lunch Program. Commencing with the 2025-26 school year, NDCS shall provide two (2) nutritionally adequate meals to each student who requests a meal without consideration of the student's eligibility for a federally funded free or reduced-price meal, with a maximum of one (1) free meal per meal service (breakfast and lunch) each school day. This shall apply to all pupils in kindergarten through grade twelve (12).

Applications for school meals are included in the first day packets to all families and can also be obtained on NDCS website and in the main office. All families are encouraged to complete the application form. Completed application forms can be returned to the main office.

A copy of the complete Policy is available upon request at the main office. NDCS also maintains a School Wellness Policy pursuant to state and federal requirements.

### **Human Trafficking Prevention**

California has the highest number of incidents of human trafficking in the U.S., and all students may be vulnerable. NDCS believes it is a priority to inform our students about (1) the prevalence, nature of and strategies to reduce the risk of human trafficking, techniques to set healthy boundaries, and how to safely seek assistance, and (2) how social media and mobile device applications are used for human trafficking.

In accordance with the California Healthy Youth Act, NDCS will provide age-appropriate instruction on the prevention of human trafficking, including sexual abuse, assault, and harassment. You have the right to excuse your child from all or part of the instruction on the prevention of human trafficking. An opt-out form is available at the main office for your convenience. Your consent for this instruction is NOT required. If we do not receive a written request to excuse your child, your child will be included in the instruction.

Information and materials for parents/guardians about the curriculum and resources on prevention of human trafficking and abuse, including sexual abuse, assault, and harassment are available on Charter School's website for your review.

### Immunizations

Pursuant to the California Health and Safety Code and the California Code of Regulations, children must provide proof of having received required immunizations (shots) before they can attend school unless they meet the requirements for an exemption. Immunization records are required for all incoming students. Verification of immunizations will be completed with written medical records from the child's doctor or immunization clinic. To ensure a safe learning environment for all students, NDCS follows and abides by the health standards set forth by the state of California. The immunization status of all students will be reviewed periodically. Those students who are not in compliance with the State requirements must be excluded from attendance until the requirements are met. Students who have been exposed to a communicable disease for which they have not been immunized may be excluded from school at the discretion of NDCS.

These required immunizations include:

### **Involuntary Removal Process**

No student shall be involuntarily removed by NDCS for any reason unless the parent or guardian of the student has been provided written notice of intent to remove the student no less than five (5) schooldays before the effective date of the action (“Involuntary Removal Notice”). The written notice shall be in the native language of the student or the student’s parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student’s educational rights holder. The Involuntary Removal Notice shall include the charges against the student and an explanation of the student’s basic rights including the right to request a hearing before the effective date of the action. The hearing shall be consistent with NDCS’s expulsion procedures. If the student’s parent, guardian, or educational rights holder requests a hearing, the student shall remain enrolled and shall not be removed until NDCS issues a final decision. As used herein, “involuntarily removed” includes disenrolled, dismissed, transferred, or terminated, but does not include suspensions or expulsions pursuant to NDCS’s suspension and expulsion policy.

Upon parent/guardian request for a hearing, NDCS will provide notice of hearing consistent with its expulsion hearing process, through which the student has a fair opportunity to present testimony, evidence, and witnesses and confront and cross-examine adverse witnesses, and at which the student has the right to bring legal counsel or an advocate. The notice of hearing shall be in the native language of the student or the student’s parent or guardian or, if the student is a foster child or youth or a homeless child or youth, the student’s educational rights holder, and shall include a copy of NDCS’s expulsion hearing process.

If the parent/guardian is nonresponsive to the Involuntary Removal Notice, the student will be disenrolled as of the effective date set forth in the Involuntary Removal Notice. If the parent/guardian requests a hearing and does not attend on the date scheduled for the hearing the student will be disenrolled effective the date of the hearing.

If, as a result of the hearing, the student is disenrolled, notice will be sent to the student’s last known school district of residence within thirty (30) days.

A hearing decision not to disenroll the student does not prevent NDCS from making a similar recommendation in the future should student truancy continue or re-occur.

### **Lost or Damaged School Property**

If a student willfully damages NDCS’s property or the personal property of a Charter School employee, or fails to return a textbook, library book, computer/tablet or other Charter School property that has been loaned to the student, the student’s parents/guardians are liable for all damages caused by the student’s misconduct not to exceed ten thousand dollars (\$10,000), adjusted annually for inflation. After notifying the student’s parent or guardian in writing of the student’s alleged misconduct and affording the student due process, NDCS may withhold the student’s grades, transcripts, and diploma until the damages have been paid. If the student and the student’s parent/guardian are unable to pay for the damages or to return the property, NDCS will provide a program of voluntary work for the minor in lieu of the payment of monetary damages. Upon completion of the voluntary work, the student’s grades and diploma will be released.

## **Mental Health Services**

NDCS recognizes that when unidentified and unaddressed, mental health challenges can lead to poor academic performance, increased likelihood of suspension and expulsion, chronic absenteeism, student attrition, homelessness, incarceration, and/or violence. Access to mental health services at NDCS and in our community is not only critical to improving the physical and emotional safety of students, but it also helps address barriers to learning and provides support so that all students can learn problem-solving skills and achieve in school and, ultimately, in life. The following resources are available to your child:

NDCS adheres to all provisions of federal law related to students with disabilities, including, but not limited to, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with

NDCS shall not encourage a student currently attending Charter School to disenroll or transfer to another school based on any of the aforementioned reasons except in cases of expulsion and suspension or involuntary removal in accordance with NDCS’s charter and relevant policies.

NDCS does not request nor require student records prior to a student’s enrollment.

NDCS shall provide a copy of the California Department of Education Complaint Notice and Form to any parent, guardian, or student over the age of 18 at the following times: (1) when a parent, guardian, or student over of the age of 18 inquires about enrollment; (2) before conducting an enrollment lottery; and (3) before disenrollment of a student.

NDCS is committed to providing an educational atmosphere that is free of unlawful harassment under Title IX of the Education Amendments of 1972 (sex); Titles IV, VI, and VII of the Civil Rights Act of 1964 (race, color, or national origin); The Age Discrimination Act of 1975; the IDEIA; and Section 504 and Title II of the ADA (mental or physical disability). NDCS also prohibits sexual harassment, including cyber sexual bullying, and harassment based upon pregnancy, childbirth or related medical conditions, race, religion, religious affiliation, creed, color, immigration status, gender, gender identity, gender expression, national origin or ancestry, physical or mental disability, medical condition, marital status, age, sexual orientation, or any other basis protected by federal, state, local law, ordinance or regulation.

NDCS does not condone or tolerate harassment of any type, including discrimination, intimidation, or bullying, including cyber sexual bullying, by any employee, independent contractor or other person with which NDCS does business, or any other individual, student, or volunteer. This applies to all employees, students, or volunteers and relationships, regardless of position or gender. NDCS will promptly and thoroughly investigate any complaint of harassment and take appropriate corrective action, if warranted. Inquiries, complaints, or grievances regarding harassment as described in this section, above, should be directed to NDCS Uniform Complaint Procedures (“UCP”) Compliance Officer:

participates or refuses to participate in a complaint investigation.

### **Opioid Information Sheet**

NDCS annually provides each athlete with an Opioid Factsheet for Patients published by the Centers for Disease Control and Prevention. The athlete and, if the athlete is 17 years of age or younger, the athlete's parent or guardian shall sign a document acknowledging receipt of the Opioid Factsheet for Patients and return that document to NDCS before the athlete initiates practice or competition. ### **Parent and Family Engagement Policy**

NDCS aims to provide all students in our school significant opportunity to receive a fair, equitable, and high-quality education, and to close educational achievement gaps while abiding by guidelines within the Elementary and Secondary Education Act ("ESEA"). NDCS staff recognizes a partnership with families is essential to meet this goal. Our Parent and Family Engagement Policy leverages and promotes active involvement of all families as partners with schools to ensure student success. A copy of NDCS's complete Policy is available upon request in the main office.

### **Physical Examinations and Right to Refuse**

A parent/guardian having control or charge of any child enrolled in NDCS may file annually with the Principal a written and signed statement stating that the parent/guardian will not consent to a physical examination of the child. Thereupon the child shall be exempt from any physical examination, but whenever there is a good reason to believe that the child is suffering from a recognized contagious or infectious disease, the child shall be sent home and shall not be permitted to return until the school authorities are satisfied that any contagious or infectious disease does not exist.

### **Pregnant and Parenting Students**

NDCS recognizes that pregnant and parenting students are entitled to accommodations that provide them with the opportunity to succeed academically while protecting their health and the health of their children. A pregnant or parenting student is entitled to eight (8) weeks of parental leave, or more if deemed medically necessary by the student's physician, which the student may take before the birth of the student's infant if there is a medical necessity and after childbirth during the school year in which the birth takes place, inclusive of any mandatory summer instruction, in order to protect the health of the student who gives or expects to give birth and the infant, and to allow the pregnant or parenting student to care for and bond with the infant. NDCS will ensure that absences from the student's regular school program are excused until the student is able to return to the regular school program.

Upon return to school after taking parental leave, a pregnant or parenting student will be able to make up work missed during the pregnant or parenting student's leave, including, but not limited to, makeup work plans and reenrollment in courses. Notwithstanding any other law, a pregnant or parenting student may remain enrolled for a fifth year of instruction in NDCS if it is necessary in order for the student to be able to complete any graduation requirements, unless NDCS determines that the student is reasonably able to complete the graduation requirements in time to graduate.

Complaints of noncompliance with laws relating to pregnant or parenting students may be filed under the Uniform Complaint Procedures (“UCP”) of NDCS. The complaint may be filed in writing with the compliance officer:

Mr. Edward Frimpong

A copy of the UCP is available upon request at the main office. For further information on any part of the complaint procedures, including filing a complaint or requesting a copy of the complaint procedures, please contact the Principal.

### **School Safety Plan**

NDCS has established a Comprehensive School Safety Plan. The Plan is available upon request at the main office.

### **Section 504**

NDCS recognizes its legal responsibility to ensure that no qualified person with a disability shall, on the basis of disability, be excluded from participation, be denied the benefits of, or otherwise subjected to discrimination under any program of NDCS. Any student who has an objectively identified disability which substantially limits a major life activity, including, but not limited to learning, is eligible for accommodations by NDCS. The parent of any student suspected of needing or qualifying for accommodations under Section 504 may make a referral for an evaluation to the Principal. A copy of NDCS’s Section 504 policies and procedures is available upon request at the main office.

### **Sexual Health Education**

NDCS offers comprehensive sexual health education to its students in grades 7-12. A parent or guardian of a student has the right to excuse their child from all or part of comprehensive sexual health education, HIV prevention education, and assessments related to that education through a passive consent (“opt-out”) process. NDCS does not require active parental consent (“opt-in”) for comprehensive sexual health education and HIV prevention education. Parents and guardians may:

- Inspect written and audiovisual educational materials used in comprehensive sexual health education and HIV prevention education.
- Excuse their child from participation in comprehensive sexual health education and HIV prevention education in writing to NDCS.
- Be informed whether the comprehensive sexual health or HIV/AIDS prevention education will be taught by Charter School personnel or outside consultants. When NDCS chooses

to use outside consultants or to hold an assembly with guest speakers to teach comprehensive sexual health or HIV/AIDS prevention education, be informed of:

- The date of the instruction
- The name of the organization or affiliation of each guest speaker
- Request a copy of Education Code sections 51930 through 51939.

Anonymous, voluntary, and confidential research and evaluation tools to measure students' health behaviors and risks (including tests, questionnaires, and surveys containing age-appropriate questions about the student's attitudes concerning or practices relating to sex) may be administered to students in grades 7-12. A parent or guardian has the right to excuse their child from the test, questionnaire, or survey through a passive consent ("opt-out") process. Parents or guardians shall be notified in writing that this test, questionnaire, or survey is to be administered, given the opportunity to review the test, questionnaire, or survey if they wish, notified of their right to excuse their child from the test, questionnaire, or survey, and informed that in order to excuse their child they must state their request in writing to NDCS.

A student may not attend any class in comprehensive sexual health education or HIV prevention education, or participate in any anonymous, voluntary, and confidential test, questionnaire, or survey on student health behaviors and risks if NDCS has received a written request from the student's parent or guardian excusing the student from participation. An alternative educational activity shall be made available to students whose parents or guardians have requested that they not receive the instruction or participate in the test, questionnaire, or survey.

### **Special Education /Students with Disabilities**

We are dedicated to the belief that all students can learn and must be guaranteed equal opportunity to become contributing members of the academic environment and society. NDCS provides special education instruction and related services in accordance with the Individuals with Disabilities in Education Improvement Act ("IDEA"), Education Code requirements, and applicable policies and procedures of the [SELPA/AUTHORIZER]. These services are available for special education students enrolled at NDCS. We offer high quality educational programs and services for all our students in accordance with the assessed needs of each student. NDCS collaborates with parents, the student, teachers, and other agencies, as may be indicated, in order to appropriately serve the educational needs of each student.

Pursuant to the IDEA and relevant state law, NDCS is responsible for identifying, locating, and evaluating children enrolled at NDCS with known or suspected disabilities to determine whether a need for special education and related services exists. This includes children with disabilities who are homeless or foster youth. NDCS shall not deny nor discourage any student from enrollment solely due to a disability. If you believe your child may be eligible for special education services, please contact [INSERT NAME, TITLE, PHONE NUMBER].

### **State Testing**

NDCS shall annually administer required state testing to the applicable grades (e.g., the California Assessment of Student Performance and Progress ["CAASPP"].) Notwithstanding any other provision of law, a parent's or guardian's written request to Charter School officials to excuse their child from any or all parts of the CAASPP shall be granted. Upon request, parents have a right to

information on the level of achievement of their student on every State academic assessment administered to the student.

### **Student Records, including Records Challenges and Directory Information**

The Family Educational Rights and Privacy Act (“FERPA”) affords parents and students who are 18 years of age or older (“eligible students”) certain rights with respect to the student’s education records. These rights are:

1. The right to inspect and review the student’s education records within 5 business days after the day NDCS receives a request for access. Parents or eligible students should submit to NDCS Principal or designee a written request that identifies the records they wish to inspect. NDCS official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.
2. The right to request the amendment of the student’s education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student’s privacy rights under FERPA.

Parents or eligible students who wish to ask NDCS to amend a record should write NDCS’s Principal or designee, clearly identify the part of the record they want changed and specify why it should be changed. If NDCS decides not to amend the record as requested by the parent or eligible student, NDCS will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing. If NDCS decides to amend the record as requested by the parent or eligible student, the Principal must order the correction or the removal and destruction of the information and inform the parent or eligible student of the amendment in writing.

3. The right to provide written consent before NDCS discloses personally identifiable information (“PII”) from the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to Charter School officials with legitimate educational interests. A Charter School official is a person employed by NDCS as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on NDCS’s Board of Directors. A Charter School official also may include a volunteer, consultant, vendor, or contractor outside of NDCS who performs an institutional service or function for which NDCS would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, therapist, or contracted provider of digital educational platforms and/or services; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another Charter School official in performing their tasks. A Charter School official has a legitimate educational

interest if the official needs to review an education record in order to fulfill their professional responsibility.

Upon request, NDCS discloses education records without consent to officials of another school district in which a student seeks or intends to enroll, or is already enrolled, if the disclosure is for purposes of the student's enrollment or transfer.

Note that Charter School will not release information to third parties for immigration-enforcement purposes, except as required by law or court order.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by NDCS to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Student Privacy Policy Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, DC 20202

5. The right to request that NDCS not release student names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent.

FERPA permits the disclosure of PII from a student's education records, without consent of the parent or eligible student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to Charter School officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the parent or eligible student, §99.32 of the FERPA regulations requires NDCS to record the disclosure. Parents and eligible students have a right to inspect and review the record of disclosures. A Charter School may disclose PII from the education records of a student without obtaining prior written consent of the parents or the eligible student to the following parties:

2. Charter School officials who have a legitimate educational interest as defined by 34 C.F.R. Part 99;
3. Other schools to which a student seeks or intends to enroll so long as the disclosure is for purposes related to the student's enrollment or transfer. When a student transfers schools, NDCS will mail the original or a copy of a student's cumulative file to the receiving district or private school within ten (10) school days following the date the request is received from the public school or private school where the student intends to enroll. NDCS will make a reasonable attempt to notify the parent or eligible student of the request for records at the parent's or eligible student's last known address, unless the disclosure is initiated by the parent or eligible student. Additionally, NDCS will give the parent or eligible student, upon request, a copy of the record that was disclosed and give the parent or eligible student, upon request, an opportunity for a hearing;
4. Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;

5. Appropriate parties in connection with a student's application for, or receipt of, financial aid if it is necessary to determine eligibility, amount of aid, conditions for aid or enforcing the terms and conditions of the aid;
6. Organizations conducting certain studies for NDCS in accordance with 20 U.S.C. § 1232g(b)(1)(F);
7. Accrediting organizations in order to carry out their accrediting functions;
8. Parents of a dependent student as defined in section 152 of the Internal Revenue Code of 1986;
9. Individuals or entities, in compliance with a judicial order or lawfully issued subpoena. Subject to the exceptions found in 34 C.F.R. § 99.31(a)(9)(i), reasonable effort must be made to notify the parent or eligible student of the order or subpoena in advance of compliance, so that the parent or eligible student may seek a protective order;
10. Persons who need to know in cases of health and safety emergencies;
11. State and local authorities, within a juvenile justice system, pursuant to specific State law;
12. A foster family agency with jurisdiction over a currently enrolled or former student, a short-term residential treatment program staff responsible for the education or case management of a student, and a caregiver (regardless of whether the caregiver has been appointed as the student's educational rights holder) who has direct responsibility for the care of the student, including a certified or licensed foster parent, an approved relative or nonrelated extended family member, or a resource family, may access the current or most recent records of grades, transcripts, attendance, discipline, and online communication on platforms established by NDCS for students and parents, and any individualized education program ("IEP") or Section 504 plan that may have been developed or maintained by NDCS; and/or
13. A victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense. The disclosure may only include the final results of the disciplinary proceedings conducted by NDCS with respect to that alleged crime or offense. NDCS discloses the final results of the disciplinary proceeding regardless of whether NDCS concluded a violation was committed.

"Directory Information" is information that is generally not considered harmful or an invasion of privacy if released. ### **Sudden Cardiac Arrest Prevention and Automated External Defibrillators**

NDCS is invested in the health of its athletes, especially their heart health. Sudden cardiac arrest ("SCA") is when the heart stops beating, suddenly and unexpectedly. Those wishing to participate in athletics at NDCS must review the information sheet on sudden cardiac arrest via the following link: <https://www.cdc.gov/dhdsp/docs/cardiac-arrest-infographic.pdf>

### **Surveys About Personal Beliefs**

Unless the student's parent/guardian gives written permission, a student will not be given any test, questionnaire, survey, or examination containing any questions about the student's, or the student's parents' or guardians' personal beliefs or practices in sex, family life, morality, or religion.

### **Teacher Qualification Information**

As NDCS receives Title I federal funds through the Elementary and Secondary Education Act ("ESEA"), as reauthorized and amended by the Every Student Succeeds Act ("ESSA"), all parents/guardians of students attending NDCS may request information regarding the professional qualifications of classroom teachers and/or paraprofessionals, including at a minimum:

1. Whether the student's teacher:
  - a. Has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction;
  - b. Is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived; and
  - c. Is teaching in the field of discipline of the certification of the teacher; and
2. Whether the child is provided services by paraprofessionals and, if so, their qualifications.

Upon request, NDCS will provide the information to the parents/guardians in a timely manner. Parents/guardians may contact the Principal at [INSERT PHONE/EMAIL] to obtain this information.

### **Tobacco-Free Schools**

Ample research has demonstrated the health hazards associated with the use of tobacco products, including smoking and the breathing of secondhand smoke. NDCS provides instructional programs designed to discourage students from using tobacco products. NDCS's Governing Board

recognizes that smoking and other uses of tobacco and nicotine products constitute a serious public health hazard and are inconsistent with the goals of NDCS to provide a healthy environment for students and staff.

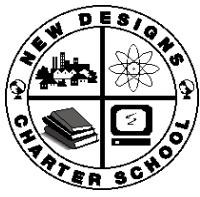

In the best interest of students, employees, and the general public, the Board therefore prohibits the use of tobacco products at all times on Charter School property and in Charter School vehicles. This prohibition applies to all employees, students, visitors, and other persons at school or at a school-sponsored activity or athletic event. It applies to any meeting on any property owned, leased, or rented by or from NDCS.

Smoking or use of any tobacco-related product or disposal of any tobacco-related waste is prohibited within 25 feet of any playground, except on a public sidewalk located within 25 feet of the playground. Smoking or use of any tobacco-related product is also prohibited within 250 feet of the youth sports event in the same park or facility where a youth sports event is taking place. In addition, any form of intimidation, threat, or retaliation against a person for attempting to enforce this policy is prohibited.

The Principal or designee shall inform students, parents/guardians, employees, and the public about this policy. All individuals on Charter School premises share in the responsibility of adhering to this policy. Additionally, NDCS will post signs stating "Tobacco use is prohibited" prominently at all entrances to school property.

#### **Use of Student Information Learned from Social Media**

NDCS complies with all federal, state, and local guidelines regarding the gathering and/or maintenance of information about any enrolled student obtained from social media in the student's educational record. NDCS gathers student information from social media. Such information shall be maintained in NDCS's records with regard to the student and shall be destroyed within one (1) year after a student turns 18 years of age or within one (1) year after the student is no longer enrolled in NDCS, whichever occurs first. A non-minor student or a student's parent or guardian may access the student's records for examination of the information, request the removal of information or corrections made to information gathered or maintained by NDCS by contacting the Principal.
